Wednesday 6th September 2023

Dear Parents/Guardians of Year 6 pupils,

Re: Ingleborough Hall Outdoor Education Centre Residential – Expression of Interest Update

We hope this letter finds you well. We would like to express our gratitude for your continued support and interest in the proposed Ingleborough Hall Outdoor Education Centre Residential for our Year 6 pupils, as outlined in our previous correspondence dated 14th July 2023.

However, since sending out our initial letter, we regret to inform you that we have not received the level of interest we had anticipated for this residential. We understand that this is possibly due to your children having already experienced a similar residential last year and we appreciate your honesty. Our primary goal is to offer an exciting and educational opportunity that aligns with our commitment to their growth and development.

Given the limited interest received thus far, we are now exploring alternative options to ensure that we provide a fulfilling and enriching experience for our Year 6 students. We want to assure you that we are committed to finding an alternative that meets the needs and expectations of our students and parents alike. We are currently exploring various possibilities and will keep you informed as we make progress in this regard. We apologise for any inconvenience this change may cause and appreciate your understanding and support in this matter.

Thank you for your continued trust and cooperation as we work towards offering an outstanding opportunity for our Year 6 pupils. We will keep you updated on our progress and look forward to your input and participation in shaping a rewarding experience for our pupils.

Yours sincerely,

Mr Reynolds
Associate Assistant Headteacher
