Dear Parents/Carers,

Nursery changes to be aware of

On the **morning** of **Tuesday 12th December**, parents are invited to watch the Nursery children taking part in the morning Nativity performance. On this day, there will only be a **morning session** for all children to attend Nursery so they can perform together. Therefore, **children are expected to attend Nursery from 8:45-11:45am only**, there will be no afternoon session.

Similarly, on the **afternoon** of **Tuesday 19th December**, it will be our Christmas party alongside the Reception children. On this day, there will only be an afternoon session for all children to attend Nursery in order for everyone to join in the party. Therefore, **children are expected to attend Nursery from 12:30-3:30pm only**, there will be no morning session.

If you have any problems or questions, please see a member of staff.

Thank you for your support.

Yours sincerely

Mrs Shute
Nursery Teacher
