June 2024

Dear Parents/Carers

I hope this letter finds you well. As we approach the end of this academic year, we wanted to remind parents the importance of clearing any outstanding dinner money. Your child's dinner balance can be found on the MCAS app under the dinner money tab.

Looking forward to September 2024 school dinners will remain at a cost of £2.53 per day. Should your account reach a negative balance, you will automatically receive a text message from school letting you know. Further to this if your account reaches a negative balance of -£30 then your child will not be able to order a school dinner and will need to bring a packed lunch from home.

Regards

Richard Grogan  
Headteacher
