Important Notice: Changes to Breakfast Club and After School Club Fees

Dear Parents and Carers

We recognise the crucial role that our Breakfast Club and After School Club play in supporting our parents and carers. We are committed to continuing these essential services. However, due to rising costs, we must unfortunately increase our prices to maintain the quality of care and activities provided.

Starting in September, next term, the fees will be as follows:

- **Breakfast Club:** £3.50 (for an hour session)
- **After School Club:** £6.00 (for two hours of supervision)

These sessions will continue to include juice and toast, and cereal will be provided during the breakfast morning sessions.

To book sessions for next year, please book through MCAS under the tab, *Breakfast Club and After-School Care*, as usual. Should your balance reach over -£35 and no payments have been received school will contact you. Please note that if there are outstanding payments from previous terms, you will not be able to make new bookings until the debt is cleared.

We understand that this price increase may be challenging, and we are here to assist you with any questions or concerns regarding payment or booking. Our admin team is more than happy to help and can provide support and guidance as needed.

Thank you for your understanding and continued support.

Kind Regards

Richard Grogan
Headteacher
