

LOWER KEY STAGE 2 SUMMER TERM NEWSLETTER

As we approach our last term we reflect on all the progress the children have made since Autumn, and as always, we are incredibly proud of each and every child. Spring term allowed us to develop our understanding of the Vikings with our 'Viking day'. This term will allow us more of these opportunities to deepen our understanding of learning that has taken place across the year. All the adults in LKS2 are impressed with how well the children support each other and how they work as a team to display a fantastic attitude to their learning.

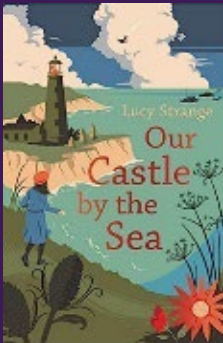

Reading, Writing, Maths and Science

We are starting the new term with a brand-new text, 'The Iron Man', which all our curriculum will be centred around. In our writing lessons, pupils will write a set of instructions on how to build their own Iron Man as well as write a free verse poem. In Maths, Year 3 pupils will continue to develop their understanding of fractions before moving onto mass and capacity, money, time and shape. Year 4 pupils will be learning about decimals, money, time and shape. In Science, our topic is all about light. In this topic we will be learning all about what a light source is, how light travels and how we use light to see

Curriculum

In our Geography lessons, we will be learning about Rivers and mapping skills. In History, we will be exploring the Viking and Anglo-Saxon struggle for the Kingdom of England as well as learn about the significant turning point in British History: World War II. In our Music lessons, we will be appraising and then performing a song based on films. In DT, we will be developing our understanding of structures as well as create our own electrical circuits. In Art, we will be using textiles to create our own applique. We will also be painting in the style of David Hockney. PSHE focuses on being safe, changing bodies and first aid. Finally, in RE we will be strengthening our understanding of the Bible and Christianity.

PE Information

Class 3 – Wednesday

Class 3/4 – Tuesday

Class 4 - Monday

Children will arrive to school in their PE kit and stay in this all day. Correct PE uniform must be worn. Details of this can be found on the website

Key dates

Year 4 Multiplication Timetables Check (MTC) – Monday
2nd June -Friday 13th June 2025

Homework

Homework is sent out each Tuesday and must be completed and returned to school by the following Monday. Please note that if homework is not completed/returned by the deadline, your child will be expected to complete it on a lunchtime. Please also continue to encourage your child to access learning and revision of spellings, times tables and more on TT Rockstars as well as Maths Frame.

Thank you for your continued support with your child's progress and learning.

Feel free to arrange an appointment to discuss anything if necessary.

Miss Scholes, Miss Bucktrout and Miss Knox
