Dear Parents/Carers,

Year 6 London Residential – Final Reminder

We are writing to remind you that the deadline to sign up for the Year 6 residential trip to London is **Friday 17th October**.

Unfortunately, at present, we do not have a sufficient number of pupils signed up to be able to run the residential and therefore, we are writing to see if there are any more families who would like to sign up.

The school has carefully researched the trip to ensure we are providing both the best value and the most enriching experience possible and school has contributed to the overall cost of the trip in order to keep the amount payable by parents as low as possible.

As part of this unique residential experience, our year 6 pupils will have the opportunity to engage in a wide array of exciting opportunities that London has to offer, including attending a West End show, visiting the National History Museum and exploring historic landmarks such as the Houses of Parliament on a walking tour of the city.

A reminder of the key information regarding this residential are below:

*The cost to parents for this trip will be between **£310 - 325**, including all activities, board, accommodation and transport to the Royal National Hotel, London. The overall price will depend on the amount of children that will attend and once numbers are confirmed, parents will be informed of exact costings.*

*If you would like your child to go on the Year 6 London residential, please make a minimum non-refundable deposit of **£40** per child. This deposit will hold your child's place on the trip. Should we reach insufficient numbers, your deposit would be refunded.*

In keeping with our Charging and Remissions Policy, the school may be able to offer financial support to those families who meet the 'Free School Meals' criteria. If you feel that you qualify and would like to enquire about this, please contact the school office.

Please complete the sign-up process via **MCAS (MyChildAtSchool)** as soon as possible to ensure that your child does not miss out on this fantastic opportunity. This experience will not only contribute to the wider development of your child but also celebrate their final year in primary school. This will be the only residential offer this academic year for Year 6.

Thank you for your continued support and if you have any questions regarding this, please see a member of the Year 6 team.

Yours sincerely

Miss Kinlough and Miss Leyland Brown
